# SEN510C, PNEUMATISCHE BOORMACHINE

## SEN510C

### TOEPASSINGEN

Houtconstructies

### EIGENSCHAPPEN

- Behuizing van composiet
- Directe koppelregeling
- Comfortabel handvat
- Omschakelbare motor

### TECHNISCHE SPECIFICIATIES

|                       |             |
|-----------------------|-------------|
| Werktemperatuur range | -18 - 49 °C |
|-----------------------|-------------|

|          |     |
|----------|-----|
| Olievrij | Nee |
|----------|-----|

|            |                   |
|------------|-------------------|
| Afmetingen | 218 x 42 x 152 mm |
|------------|-------------------|

|              |        |
|--------------|--------|
| Nettogewicht | 1,3 kg |
|--------------|--------|

|                  |               |
|------------------|---------------|
| Luchtaansluiting | 1/4" inwendig |
|------------------|---------------|

|   |         |
|---|---------|
| Luchtverbruik bij 60 schoten per minuut | 226 l/m |
|---|---------|

|        |       |
|--------|-------|
| Koppel | 11 Nm |
|--------|-------|

### IDENTIFICATIE

|               |         |
|---------------|---------|
| Artikelnummer | SEN510C |
|---------------|---------|

|      |               |
|------|---------------|
| GTIN | 8715274036373 |
|------|---------------|
